PME Customer Agreement

Tax Exempt Form (If applicable)

Cirro Energy is authorized by me to use the information I am providing in this form to enroll me for electric service. I affirm and represent that I am at least 18 years of age and legally authorized to switch the electricity provider for the address shown below, and I have reviewed, understand and agree to the Terms of Service Agreement for my service plan. By my execution below, I hereby authorize (1) Cirro Energy to become my new Retail Electric Provider (REP) in place of my current REP; and (2) Cirro Energy to act as my agent to make this change and direct my current REP to work with Cirro Energy to make this change.

**TXU ELECTRIC DELIVERY SERVICE AREA – RESIDENTIAL PLAN**

**Pricing:** The price for energy is 7.265¢ per kWh up to 1,000 kWh and 6.313¢ per kWh thereafter. This price includes all Transmission and Distribution Service Provider (TDSP) charges associated with the delivery of your electricity. You will be assessed a monthly base charge of \$9.95. Cirro Energy reserves the right to place you on the appropriate price based on actual usage. Please note that this price may be adjusted depending on the cost of fuel used to generate the energy. Please refer to your Terms of Service Agreement for current rates including fuel surcharges.

**Term:** Your service shall begin on the meter reading date set by the Local Distribution Utility and will continue for an initial term ending on the first meter reading date (please check and initial one)  twelve (12) \_\_\_\_\_ or  twenty-four (24) \_\_\_\_\_ calendar months thereafter. After initial term, either you or Cirro Energy may cancel this Authorization upon thirty (30) calendar days advance written notice.

**Cancellation:** You will receive a written copy of your Terms of Service Agreement and have the right to cancel this Authorization without penalty or fee of any kind within three (3) business days after receiving and agreeing to the Terms of Service and accepting this offer. If you cancel this Authorization for any other reason before the end of the initial term you will be assessed a cancellation fee that is equal to your average monthly energy bill during the initial term. An average monthly energy bill is the monthly base charge plus the average price for energy supply in ¢ per kWh multiplied by average monthly usage.

**Billing & Fees:** You will receive a monthly bill for service that is due and payable 16 days from the date of the bill. If the bill is not paid by the due date, you may be charged, and you agree to pay, a late fee of five percent (5%) of the month's past due amount (for administrative burden and maintenance) and collection agency fees in the event of default. If you request an early meter read which is outside of the standard meter reading cycle, you will be charged a fee set by the Local Distribution Utility for the administrative burden and expense of handling such requested service. Please see Terms of Service Agreement for other billing and fee information.

**Deposits:** Initial Deposit - May be required if: 1. Upon entering this Agreement, you do not have satisfactory credit. 2. As an existing customer, you have been overdue paying a bill more than once during the last twelve (12) months of service or had service terminated for nonpayment. Deposit Amount - The total of all deposits that may be required of you by Cirro Energy shall not exceed an amount equivalent to the greater of either: 1. The sum of the estimated billings for the next two (2) months; or 2. One-sixth (1/6) of the estimated annual billing. Please see Terms of Service Agreement for additional deposit information.

By my signature below (a facsimile signature accepted as if it were an original), I hereby agree to be obligated by the terms and conditions set forth herein and to the Terms of Service Agreement. I understand that I may be required to pay a deposit prior to the initiation of service. Please refer to the Terms of Service Agreement for all other applicable terms and conditions.
